

AP[®] Psychology Course Framework* (CF) Alignment to *Myers' Psychology for AP[®], Second Edition*

| CF Unit | AP [®] Psychology CF Unit | AP [®] Myers, 2e Section Title | Recommendations |
|---------|--------------------------------------|--|---|
| 1 | Scientific Foundations of Psychology | Unit I: Psychology's History and Approaches Unit II: Research Methods: Thinking Critically With Psychological Science | After teaching Modules 1-8, assign Personal Progress Check 1. |
| 2 | Biological Bases of Behavior | Unit III: Biological Bases of Behavior Unit V: States of Consciousness | The organization of Myers' Modules differs from the topic order in the CF but all of the content is covered. We recommend teaching Myer's Modules in order 9-15, and 23-25. Then assign Personal Progress Check 2. <i>Note: Module 22 (Consciousness and Hypnosis) is out of scope on the 2019-20 AP Psych exam and may be skipped, if desired.</i> |
| 3 | Sensation and Perception | Unit IV: Sensation and Perception | After teaching Modules 16-21, assign Personal Progress Check 3. |
| 4 | Learning | Unit VI: Learning | After teaching Modules 26-30, assign Personal Progress Check 4. |
| 5 | Cognitive Psychology | Unit VII: Cognition Unit XI: Testing and Individual Differences | Teach Modules 31-36 followed by 60-64, then assign Personal Progress Check 5. |
| 6 | Developmental Psychology | Unit IX: Developmental Psychology | The organization of Myers' Modules differs from the topic order in the CF but all of the content is covered. Follow the Myer's order or consult the Topic Alignment to reorder the Mods to follow the CF organization. After teaching Modules 45-54, assign Personal Progress Check 6. |
| 7 | Motivation, Emotion, and Personality | Unit VIII: Motivation, Emotion, and Stress Unit X: Personality | The organization of Myers' Modules differs from the topic order in the CF but all of the content is covered. Follow the Myer's order or consult the Topic Alignment to reorder the Mods to follow the CF organization. After teaching Modules 37-44 and 55-59, assign Personal Progress Check 7. |
| 8 | Clinical Psychology | Unit XII: Abnormal Behavior Unit XIII: Treatment of Abnormal Behavior | After teaching Modules 65-69 and 70-73, assign Personal Progress Check 8. |
| 9 | Social Psychology | Unit XIV: Social Psychology | After teaching Modules 74-80, assign Personal Progress Check 9. |
