

# Empowering teachers. Elevating student performance.

## STUDY SAMPLE:

19 Teachers

414 Students

Psychology

Statistics

Lit & Comp

*"The online assessments were great for homework and immediate feedback on student conceptual understanding."*

JENNIFER MUELLER, STATISTICS TEACHER

*"We only have so much time! Achieve has been a time-efficient system this year. This is emotional for me and my students because time not spent on logistical and technical problems is time spent with our families and engaged in meaningful work."*

KARL SINEATH, PSYCHOLOGY TEACHER

## MEETING CLASS GOALS

- ✓ User friendly interface
- ✓ Immediate feedback
- ✓ Curriculum and assessment alignment
- ✓ Flexibility and adaptability
- ✓ AP exam prep
- ✓ AP level problem sets
- ✓ Reports, insights, and data

## SAVING TEACHERS TIME

- ✓ Planning
- ✓ Assigning and collecting homework
- ✓ Creating and administering tests
- ✓ Grading and easy grade transfer
- ✓ Adjust due dates across sections
- ✓ Wrong answer feedback
- ✓ Visibility of students' notes
