Engaging Students. Empowering Teachers.

SaplingPlus' **dynamic and targeted feedback** provides the student with real-time feedback based on their specific misconceptions or understanding, whether they get the answer correct or incorrect—making sure they get the right answer for the right reason. SaplingPlus allows the teacher to fully customize how they assign and weigh the questions.

The **streamlined interface** helps you manage assignments. A **full e-book** offers easy navigation and interactive content and activities. The **resources** link gives you quick access to carefully developed book-specific teaching materials.

An easy-to-use **gradebook** provides a clear window on performance for the whole class, for individual students, and individual assignments to help you give each student the support he or she needs.
