Short Answer

How do you build a sense of belonging in your classroom?

iClicker

The Need for Community Building

- A classroom is a community regardless of our intentions
- A sense of belonging makes it easier to engage with challenging material
- Comfortable classrooms can have deeper, more complex discussions
- Teaches collaboration skills and professional norms
- A powerful classroom community persists outside the classroom

Short Answer

What are the “symptoms” of a class that’s built a positive community?

iClicker

Ways iClicker Can Help

- Make class a two-way conversation
- Give every student a equal voice
- Model uncertainty and failing as normal part of learning
    - iClicker Confidence Rating
- Encourage honesty with Anonymous mode
- Offer ways students can connect out of class (without you!)
