

# Economics for the AP® Course Resource Materials

**Annotated Teacher's Edition** (print and ebook-available in the digital platform-Achieve)

**Resources** (available in Achieve)

- Professional Development videos for each unit created by the authors
- Editable Lecture Presentation Slides for each module of the unit
- Econextras. This is a curated list of resources beyond what we provide that you could use (or maybe are using some already) – like links to the Federal Reserve Bank of Atlanta, Youtube, Council for Economic Education, Universities, and more
- Economics by Example handouts that provide real-life examples of economics in action
- Activity handouts/Worksheets
- Answers

**Test bank**

- Around 3,500 Questions
- Multiple choice and FRQ
- Delivered by email
