

# Foundations of Language and Literature 2e Resource List

**Annotated Teacher's Edition** (print and ebook-available in Achieve digital platform)

**Resources** (available in Achieve)

- Professional Development Overview Videos
  - Introduce each chapter of the book with a quick outline of the content to help you plan.
- Suggested Responses
  - To all the questions posed at the end of each text in Chapters 5–11, as well as to the activities throughout the book, offer possible approaches you and your students might take to the readings and instructional content.
- Editable Rubrics
  - For the Topics for Composing prompts in Chapters 5–11 provide a framework for evaluating student work.
- Instructional Strategies
  - Give tips for how to use each strategy for a clearly defined purpose.
- ELL Essential Guide Handouts
  - Offers a suite of ELL supports, such as previews of readings to support comprehension, additional context to help build background knowledge, specific help with word-and sentence-level challenges in readings, and more.
- Vocabulary Handouts
  - Address both meaning and effect of challenging vocabulary in context — perfect for pre-reading preparation or post-reading quizzing that helps students develop close analysis skills.
- Editable Pacing Guides
- Activity Handouts
  - Give your students a place to work and structure for their analysis and writing.
- TE Tour Video
- Digital Collection of Full-Length Works
