Lab Notebooks from Macmillan Learning Lab Solutions

AFFORDABLE AND CONVENIENT

Our high-quality student lab notebooks use carbonless paper to allow instructors to collect single pages while the duplicates stay in students' hands.

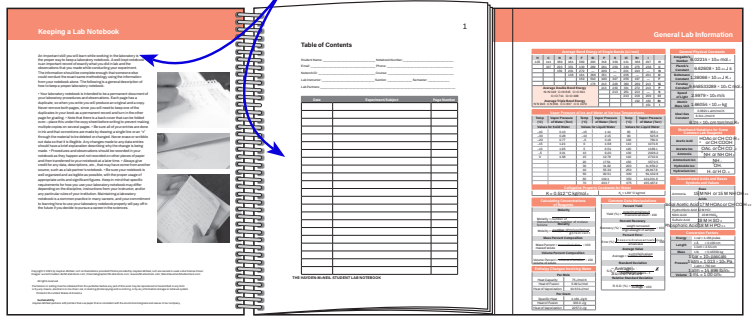

Macmillan Learning Lab Solutions

Fully-laminated front & back covers for Chemistry, Organic Chemistry, and Life Science notebooks.

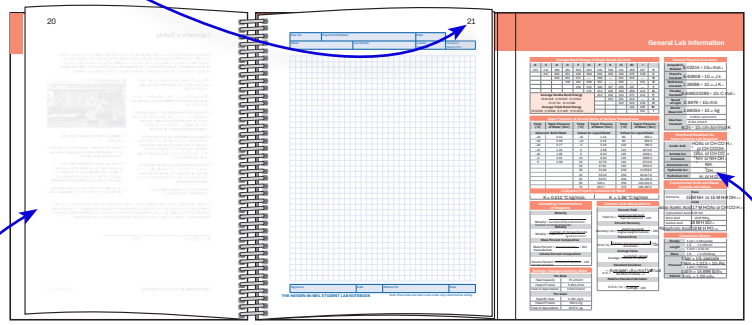

Spiral binding lays flat and allows more space for lab work.

Notebook directions & customizable table of contents

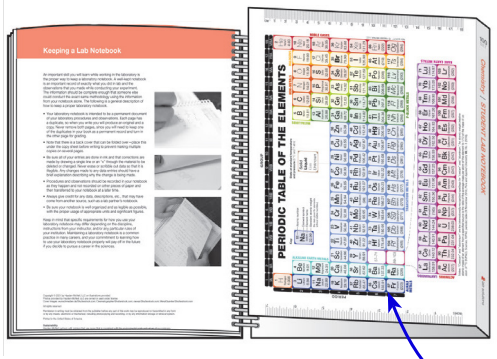

BACK BY POPULAR DEMAND!
Crash numbered page sets save time by matching the pagination of original notes with their duplicate pages.

Crisp white pages for superior legibility; duplicate pages are perforated

Discipline-specific reference material

Fold-over back cover for separating duplicate sets
