An interactive e-Book creates an easy-to-navigate reading experience, with hyperlinks to pertinent content and additional materials.

LearningCurve adaptive quizzing offers individualized question sets and feedback for each student based on their correct and incorrect responses. Students build confidence with content and concepts in a low-stakes environment; meanwhile, you can easily see where students are struggling.

SaplingPlus’s online homework system helps students with targeted feedback tailored to each individual’s responses.

84% of teachers say SaplingPlus helped their students improve their content knowledge.
The **streamlined interface** helps students manage their schedule of assignments, while social commenting tools let them connect with classmates. 24/7 tech support is a click away, accessible from a link in the upper right-hand corner.

An easy-to-use **gradebook** provides a clear window on performance for the whole class, for individual students, and for individual assignments to help you give each student the support he or she needs.

The **resources link** gives you quick access to carefully developed, book-specific teaching materials (lecture presentation slides, worksheets, videos, and more).
