

The Language of Composition 4e Resource Materials

Annotated Teacher's Edition (print and ebook-available in Achieve digital platform)

Resources (available in Achieve)

- **Lesson Plans**
 - For selected readings in Chapters 4-9, with in-depth, day-by-day suggestions to teach core texts for the AP Course.
- **Suggested Responses**
 - For all activities in Chapters 1-3 and all end-of-reading questions in Chapters 4-9.
- **Answer Keys**
 - For the multiple choice question sets at the end of Chapters 4-9, as well as the Practice AP Exam and Grammar Workshops at the back of the book.
- **Editable Rubrics**
 - To structure your evaluation of all Culminating Activity prompts in Chapters 1-3 and all Topics for Composing, Entering the Conversation, and Suggestions for Writing Prompts in Chapters 4-9.
- **Instructional Strategies**
 - To build up your toolkit of teaching techniques.
- **Vocabulary Handouts**
 - To address both meaning and effect of challenging vocabulary in context - perfect for pre-reading preparation or post-reading quizzing.
- **Annotation Handouts**
 - To facilitate close reading of brief, rich excerpts of select readings
- **Graded AP Student Sample Essays**
 - To serve as exemplars for your classroom and help calibrate your evaluation of student work.
- **ELL Essential Guide Handouts**
 - For every reading that offers a full suite of ELL supports, such as a summary that previews the text, additional context or information to help build background knowledge, detailed help with vocabulary, and more.
- **Editable Pacing Guides**
 - To allow customization of the AP®-aligned pre-build units we provide in each chapter's planning pages.
- **AP Course Alignment Guide**
 - To follow if you want to teach the material closely following the 9 units of the CED.
- **Professional Development videos**
 - Featuring the authors of *The Language of Composition* to offer pedagogical insights and professional development support.
- **Digital collection of full-length works**
