

## American Literature & Rhetoric 2e Resource List

### Teacher's Edition

Available in print and digitally via Achieve, the Teacher's Edition of *American Literature & Rhetoric*, Second Edition, is written to help guide instructors in their course planning and teaching with a wealth of additional wraparound features. This edition includes thoughtful instruction for planning, pacing, differentiating, and enlivening your American literature course.

### Teacher's Resource Materials (Digital-Only, Available with Achieve)

Our Teacher's Resource Materials include:

- **Suggested Responses** to the activities in Chapters 1–4, as well as to the questions posed at the end of each text in Chapters 5–10.
- **Editable Rubrics** for the Culminating Activity prompts in the **\*NEW\*** Writing Workshops as well as the Topics for Composing and Suggestions for Writing prompts in Chapters 5–10.
- **REVAMPED! Editable Pacing Guides** to customize your course to your preferred instructional approach, whether that's chronological (with sequential or **\*NEW\*** spiraled skill instruction), thematic, AP-aligned, or built around commonly-taught works.
- **REVAMPED! ELL Essential Guide** handouts to build background knowledge through additional context or information, detailed help with vocabulary, and more. This edition, the handouts provide **\*NEW\*** graphic organizers, Previewing the Text question sets, and expanded vocabulary support.
- **REVAMPED! Activity handouts** to jumpstart students' practice with key reading and writing skills across all four genres. **\*NEW\*** This edition, we're providing an activity handout with a graphic organizer for every activity in the book.
- **Annotation Handouts:** Brief, rich excerpts from readings that are ideal for annotation.
- **Vocabulary Handouts** to address both meaning and effect of challenging vocabulary in context — perfect for pre-reading preparation or post-reading quizzing.
- **Student Sample Essays** to serve as exemplars for your classroom and help calibrate your evaluation of student work.
- **Grammar Workshop** handouts and answer keys to guide students from understanding to application of proper conventions.
- **Glossary/glosario flash cards** to help students build their content knowledge and skills.
- **LearningCurve**, an adaptive, game-like, formative assessment tool that helps students focus their study efforts on grammar and mechanics where they need it most. When they get a question wrong, they get feedback about why and a link to content review — and then they get a chance to try again.
- **Digital collection** of nearly 100 full-length works
- **Instructional Strategies** to build up your toolkit of teaching techniques.

- **REVAMPED! Professional Development Chapter Overview Videos** by Student and Teacher's Edition authors Natalie Castillo and Kate Cordes to help you plan and pace your course, chapter by chapter.
- **REVAMPED! A Teacher's Edition Tour Video** by Student and Teacher's Edition authors Natalie Castillo and Kate Cordes to help you get the most from this resource.
