

American's History 11th ed Resource Materials

Teacher's Edition (print and ebook-available in Achieve digital platform)

Available in print and digitally via Achieve, the Teacher's Edition for *America's History for the AP® Course*, Eleventh Edition. is written to help guide instructors in their course planning and teaching with a wealth of additional wraparound features. This edition includes thoughtful instruction for planning, pacing, differentiating, and enlivening your AP® U.S. History course.

Teacher's Resource Materials (Digital-Only, Available with Achieve)

Our Teacher's Resource Materials include:

- **Pacing and AP® Alignment Guides** for each unit and chapter. These customizable versions of the pacing and alignment guides in this Teacher's Edition give you the flexibility to tailor instructional content to your classroom community.
- **Handouts for activities** found throughout the Teacher's Edition — it's easy to use these as bell ringers, exit tickets, or homework.
- **AP® Learning Objective Handouts** for each chapter, designed to help students make the most of the book.
- **Chapter Outlines** to help you plan and pace each chapter of the book
- **Common Misconceptions** notes designed to help you guide students to a fuller understanding of historical contextualization
- **In-class Activities** to bring the course alive in your classroom
- **Lecture Strategies** to help you reach students at all levels of preparedness for the APUSH course
- **Suggested Responses** to all of the AP® Making Connections Across Chapters and AP® Skill Workshops in all 9 units, as well as to all questions in the following chapter features: AP® Learning Focus, AP® Skills & Processes, Visual Activities, Mapping the Past activities, AP® America in the World boxes, AP® Claims and Evidence in Sources boxes, AP® Comparing Secondary Sources boxes, AP® Working with Evidence boxes, and Chapter Reviews
- **AP® Exam Practice Answer Keys**, including answer choice rationales, for all of the AP® Exam Practice Multiple-Choice Questions in the book
- **Rubrics** for the Short-Answer Questions, Long Essay Questions, and Document-Based Questions in the book's AP® Exam Practice sections
- **Lecture and Image Presentation Slides** to help you get the most out of this program
- **Short, engaging History Videos** of 78 key turning points in U.S. history for students to watch as they read the book.
- **Map quizzes** in the digital platform to guide student analysis of key maps in the student edition.
- A **Professional Development Teacher's Edition Tour Video** to help you get the most from this resource.
